To Whom It May Concern:

This is to confirm that Steve Hassan, M.Ed., has served as a valued invited presenter in the course that I co-teach, Spirituality, Religion and Psychiatry in the Harvard Longwood Psychiatry Residency Training Program, since 1999.

I have also asked him to contribute chapters for two Springer Publishing Company textbooks on Psychiatry and Islamophobia, and Psychiatry and Anti-Semitism.

Sincerely,

A handwritten signature in black ink, appearing to read 'JRP' with a flourish.
